

Covid-19 Emergency Response Fund

Help Us Help Our Community

Dear Friend,

All across the Tampa Bay region, our community members are reeling from the impact of the COVID-19 pandemic. Jobs have been lost, basic needs have gone unmet, and the storied institutions that we cherish have buckled under the weight of lost funding.

The Community Foundation of Tampa Bay is helping the nonprofits in our area so that they in turn can help our community get back on its feet.

We urge you to help in any way that you can, and invite you to join us in our efforts to spread the word – and share some hope with our neighbors in need.

**You can make an immediate, positive
impact on our community during this
challenging time.**

Help us help our neighbors.
