

Employee Appreciation Day

Site Activities Suggestion List

Give Your Agents the Thumbs-Up This Employee Appreciation Day!

Bake up a batch of gratitude.

Nothing says 'we appreciate you' like a warm batch of freshly-baked cookies. Even better, use this [Thumbs-Up shaped cookie cutter](#), then use icing to add a heartfelt message of thanks to your agents.

Get crafty.

Let your teams' imaginations run free with an arts and crafts table in the breakroom, and set up display areas so that each 'artist' can showcase their creations.

Get your game on.

Puzzles, board games, cards – there are an infinite number of games out there, and they're the perfect way to facilitate team bonding and let off some steam. Stock the breakroom with your favorites and roll the dice!

Trivialize the matter.

Pose trivia questions to your team throughout the day, and mix up the topics between pop culture, music, and SYKES history. For added inspiration and team building, toss in some interesting tidbits about people at your site.

Go on a hunt.

Set up a scavenger hunt that's themed around the accomplishments of people at your site. Agents can ferret out customer service stars, distance runners, singers, artists and more – the possibilities are endless!

'Like' your agents.

Give your teams the Thumbs-Up with fun, low-budget swag and decorations:

- [Thumbs-Up trophies](#): 3 dozen for \$27.95
- [Thumbs-Up post-it notes](#): stack of 100 for \$4.99
- [Thumbs-Up balloons](#): 20 for \$15.99

Don't forget about our Employee Appreciation Day Toolkit collateral!

Our toolkit includes four customizable communication pieces.

Just download the files and add your own special message.
