FOR SERVICES

HANDS-ON

EXPERIENCE

With over 25 years of experience and expertise in the SCA employee benefits arena, GSA is well-versed in the challenges of government contracts. Offering the widest array of fully-insured and alternative funding plans in the industry, as well as a wealth of voluntary benefit programs, GSA stands alone amongst its competitors as the premier provider of tailor-made employee benefit packages.

OUR STORY

GSA has been providing compliant, cost-effective employee benefit solutions for government contractors for nearly three decades. The first to popularize the use of traditional, comprehensive benefits in the SCA arena, GSA continues to lead the way in the industry through the development of new and unique programs such as the GSA Trust, Universal Trust and Wage Replacement Program (WRP).

INDUSTRY EXPERTISE

The first to popularize the use of traditional, comprehensive benefits in the SCA arena, GSA continues to lead the way in the industry.

REGULATORY COMPLIANCE

SCA, DBA, ERISA and HIPAA compliance, new Acquisitions and contract transition assistance, and legal, HR and PPACA expertise.

ONLINE ADMINISTRATION

Secure data exchange, 24/7 access to employee data and benefits, and real-time enrollment and plan change status reports.

PREMIUM ADMINISTRATION

Establish, file, and record trust documents, file annual IRS/ DOL reporting, manage 5500, 1099, and W-2 forms, and more.

ONLINE

ADMINISTRATION & ENROLLMENT

Designed to manage complex H&W plan structures, GSA's advanced online system can track hours worked, premiums paid, sick and vacation time, and so much more.

OUR PRODUCTS & SERVICES

GSA's many alliances and partnerships provide a results-driven think tank for both their domestic and international clients. With a number of industry-specific experts at their reach, including health

and welfare (H&W) audit and accounting professionals, ERISA attorneys, and HR consultants, each client's needs and goals - including SCA compliance - are met by GSA's roundtable of SCA specialists.

GSA offers more benefit choices than any other employee benefits firm in the industry:
